Scholarship Application

This application is for scholarships offered in coordination with the Boise State Global Learning Opportunities Office.

As a reminder, you must submit a FAFSA form by the priority deadline to receive federal financial aid. The Priority deadline is February 15, 2017.

Scholarship Application Deadlines

April 1, 2017 for Summer 2017

April 15, 2017 for Fall 2017 and Academic Year 2017-2018

October 15, 2017 for Spring 2018 programs

Eligibility

- ❖ 2.8 cumulative grade point average to be considered
- ❖ Good academic standing at Boise State University

Supporting Materials Checklist

- Completed application form
- Typed response to essay questions
- Unofficial transcript (this can be obtained from My Boise State)
- Sample Budget (please use the attached form)
- Two written reference letters, one of which is ideally from a Boise State faculty member. Reference letters from friends or family members are not acceptable.

Scholarships

The key to finding and receiving scholarship money is planning and commitment. Take the time to type your application, answer questions thoughtfully, proofread your application several times and begin to research funding opportunities as soon as you become interested in studying abroad. The Global Learning Opportunities office has a number of scholarships available. The application that follows is for the following scholarships: **USAC scholarships, USAC STEM scholarships, Eto scholarships, Ansotegui-Fereday Memorial Scholarship, International Learning Opportunities scholarships** and the **Sandra Eggers Memorial Scholarship**. You will be considered for all scholarships you are qualified to receive. Please contact Corrine Henke (426-2630) for more information.

USAC scholarship

Any student who is participating in a USAC program is eligible to receive this scholarship, which will be deducted from the balance of fees owed to USAC. The average award is \$500 - \$1,500 per person.

USAC STEM scholarship

Any student who is a declared STEM major (Science, Technology, Engineering, or Math) and is participating in a USAC program is eligible to receive this scholarship. Awards range from \$500 - \$2,500 per person. Students do not have to study STEM courses while abroad.

Ansotegui-Fereday Memorial Scholarship

Awards in the range of \$500 - \$1,500 will be awarded to students studying Basque language and culture in San Sebastian/Donostia and Bilbao in the Basque region of Spain. 3.0 GPA requirement.

Eto Scholarship

Several scholarship awards of \$500 - \$3,000 will be given to students who study at sites in Asia, Australia or New Zealand.

Sandra Eggers Memorial Scholarship

Scholarships will be made available to Boise State students participating in a study abroad program. The average award is \$500 per person. 3.0 GPA requirement.

Global Learning Opportunities Scholarships

ILO scholarship awards are available for any program and require the completion of service hours promoting study abroad upon return to Boise State campus.
